

# Fundraising

EASY. CONVENIENT. ENVIRONMENTALLY FRIENDLY.

**WITH EXPRESS CAR WASH WE MAKE FUNDRAISING EASY, CONVENIENT AND ENVIRONMENTALLY FRIENDLY.**

Great For Schools, Community Projects, Athletic Teams and any Non-Profit Organization.

Rather than renting a parking lot and having all the dirty water going into the public drains have Express Car Wash do the fundraising for you plus we recycle all the water used.

**Here's how it works:**

Certificates are "custom printed" with the name of your organization and serially numbered for easy control. At the conclusion of the one month sale period, your group returns any unsold certificates and pays for only half of the current retail price for each certificate sold, plus the production charges below:

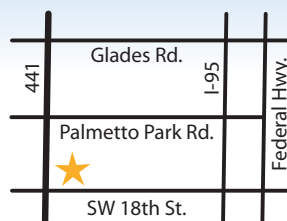

QUANTITY	PRODUCTION COSTS	ESTIMATE PROFIT
250	\$100.00	\$1,150.00
500	\$125.00	\$2,375.00
750	\$150.00	\$3,600.00
1000	\$175.00	\$4,825.00
1250	\$200.00	\$6,050.00
1500	\$225.00	\$7,275.00

**Some Limitations:**

- Carwash certificates may NOT be discounted below the current retail price.
- Certificates may NOT be sold on the premises of the Express Carwash location.
- Use of this program is restricted to one sale month per year, per non-profit organization.
